TANFORAN FANS WILL SEE LARGE HORSE IN ACTION

San Francisco Handicap Will Line Up Field Of High Class Gallopers

California's newest—and biggest—thoroughbred champion, Don Roberto, goes in quest of new laurels here tomorrow, Saturday, November 7, in the $5000 added San Francisco Handicap at one mile and a sixteenth. This giant of the turf, who makes the track shiver and shake when he thunders down the stretch, tips the scales at exactly 1350 pounds. He is the largest horse in American racing today, an honor formerly held by the aptly named Whopper, but subsequently lost after two operations.

Don Roberto is unbeaten in three starts, and, according to shrewd horsemen, has not yet been "awakened." They contend that he is in some sort of an equine slumber and doesn't really know what its all about yet. He runs along at an even gait, apparently just loafing, while his rivals are driving behind him. Well, when he does discover that racing is a serious business—California will have another great horse.

Don Roberto has done everything asked of him, to date, willingly and with no apparent show of effort. Coming to the races unknown and

CONTRACT AWARDED FOR POOL AND GYMNASIUM AT JEFFERSON

Bids For Proposed Building Opened Saturday Night—Work To Start Nov. 14

A long hoped for—and worked for—dream of local civic minded citizens is at last taking form. Bids on the proposed construction of a gymnasium and swimming pool at Jefferson Union High School were opened by the school board last Saturday night.

At a special board meeting Monday evening the contract for the project was awarded to Frank J. Reilly of San Francisco. Reilly submitted a bid in the amount of $179,881. Two other bids were made, both of which approximated $200,000.

$154,545 AVAILABLE

The school board now has available $154,545 for the proposed gymnasium and swimming pool. This amount was raised by a bond issue and a federal grant. A deficit of approximately $25,000 still exists. It is planned, however, to set aside from the regular school budget for the fiscal years of 1936-37 and 1937-38, amounts to cover this deficit. Such procedure will be no extra burden on taxpayers.

The school board repots excellent co-operation from all local principals and from county, state and federal departments in working out plans for the gymnasium and swimming pool. A. D. Wilder, state director (California) Federal Emergency Administration of Public Works, whose offices are in San Francisco, has given much special assistance.

WORK STARTS NOVEMBER 14

Actual construction work will begin not later than November 14.

BRIDGE OPENING PAGEANTRY WILL BE SPECTACULAR

Celebration Committee Has Promised Good Features For Four Day Display

Amid pageantry unequalled in San Francisco's history, the mammoth $77,000,000 San Francisco-Oakland Bay Bridge will be dedicated and opened to traffic next Thursday, November 12.

On that day the San Francisco Junior Chamber of Commerce, working in co-operation with the San Francisco-Oakland Bay Bridge Celebration Committee, will hold its annual Harbor Day as part of the four-day celebration.

The program for that day follows:

Open House—All commercial ships in the bay will be open for public inspection between the hours of 10 a. m. and 5 p. m.

Excursion Boat on Bay—The ferry boat "City of Sacramento" will be operated as an excursion boat, taking in all points of interest. Schedule of departures will be announced by Southern Pacific.

10 a. m.—Massed Flight of Navy Aircraft—More than 250 Navy planes will fly over entire bay area.

Rowing Races—Bay rowing clubs

POLITICAL UPHEAVAL RESULTS IN DISMISSAL OF SOME COUNTY EMPLOYES ON EVE OF ELECTION

Grand Jury Investigation Is Asked By Colma Health Officer After Discharge From Job

After comparatively quiet procedure during the first part of the supervisors meeting Monday, political bomb-shells exploded to reveal upheavals in several county departments.

When rapid fire attacks and defenses had quieted and the supervisors adjourned their pre-election meeting, these startling actions were disclosed:

1. The Colma health officer—who charged his dismissal Saturday, with one minute's notice, was purely a political move—demanded a grand jury investigation.

2. A motion by Supervisor Al Witt to immediately "fire" County Executive Walter B. Kellogg, which died for lack of a second.

3. The report of the Fiesta Commission revealing that the 1936 San Mateo County Products and Floral Fiesta cost the taxpayers of this county approximately $6000.

4. An announcement that three road department foremen were dismissed.

5. The county executive would not deny rumors of the filing of dismissal charges against County Purchasing Agent Stanley Kelly.

PRELIMINARIES QUIET

Preliminaries of the board meeting were quiet and orderly as Chairman Manuel Francis rushed the

Week End Accidents Results In 8 Hurt

Eight persons were hurt, none seriously, in week end automobile accidents in San Mateo County. Three were arrested, officers reported.

A head on collision at the intersection of Junipero Serra Highway with El Camino Real, near Colma, Saturday night, netted six of the injured.

They were Calvin Meitz, 22, 1232 Paloma avenue, Burlingame; Jannet Weber, 22, 1120 Bernal avenue, Burlingame; Mrs. Nella Tuthill, 31, San Francisco waitress; Mrs. Reitha Walker, 38, San Francisco waitress; Clark Samsel, 32, San Francisco salesman, and his mother, Ms. T. Samsel, 50, San Francisco.

R. Davis, 30, 714 First avenue, San Bruno, was at liberty Monday on $40 bail posted after his arrest on a drunken driving charge, which allegedly occurred on El Camino Real at Lomita Park.

Club Bans Plan To Incorporate

Water Utility Proposed For Coast Side Towns

Plans to incorporate the coastside area from Edgemar to Pedro Point have been discarded by the Sharp Park Improvement Club. A possible water district was suggested in place of incorporation.

Upon request, Judge R. A. Rapsey of San Bruno attended the improvement club meeting, in Sharp Park School House, Monday night. The purpose of incorporation, said Judge Rapsey, is to control under one scheme of local government such public service departments as water, fire, police, sanitation and lighting.

After roughly surveying the coastside needs, it was generally conceded that incorporation was not yet necessary. And the expense should be avoided.

WATER NEEDED

Several club members strongly expressed the opinion that water facilities at certain points were inadequate. Ray Higgins, club president, spoke of an enlarged water utility which might be organized to obtain Hetch Hetchy water.

A committee composed of F. Donohoo, F. Hallings, D. Plate and Ray Higgins was appointed to visit interested parties in the water situa-

Fall Down Stairs Fatally Injures Daly City Woman

As she was hanging out clothes from the back porch of her home, early Monday morning of this week, Mrs. Catherine Divers, 78, of Winchester street, slipped and fell down the back stairs, sustaining injuries which proved fatal.

The injured woman died at 8:30 o'clock the same morning in the Villa Sanatorium.

A member of the family called the family physician, who attended the stricken woman before the hospital ambulance arrived.

Surviving relatives are the husband, Gustave, and a daughter, Mrs. R. Hester and two sons, John and Victor Divers.

The funeral was conducted from W. C. Lasswell Mortuary Chapel at 10:30 o'clock, Tuesday morning of this week.

Interment was in Cypress Lawn Cemetery.

FORTY-SIX STATES CARRIED BY ROOSEVELT; "ONLY BEGUN TO FIGHT" IS THE VICTORY PLEDGE

With a lead of 8,683,576 ballots in incomplete returns compiled from all 48 states yesterday, Roosevelt was returned to office by a sweeping majority.

The President had won or held margins in 46 states with 523 of the 531 electoral votes. Governor Landon won Maine and Vermont with eight electoral votes.

SECURITY

James A. Farley, chairman of the Democratic National Committee, welcomed victory with the announcement that individuals and corporations who are "on the level with the people" have nothing to fear from another four years of the New Deal.

DALY CITY RESULTS

Local voters emphatically declared their preference for Roosevelt by a vote of 3227 ballots, while Landon received only 531. McGrath won over Baker for Congress by 2810 to 684.

Following are county supervisor results by precinct:

Poole, Hatch and James were elected supervisors by considerable margins in the county. Parkman went to the State Senate and Call was elected Assemblyman.

Pescadero Rancher Killed By Shock

Late Monday Robert Morrello, 49, well known Pescadero rancher, was electrocuted here, and his co-worker, Alfonzo Oddoni, also of Pescadero, was knocked unconscious when 11,000 volts from heavy power lines raced through their bodies.

The two men were drilling a well. As they guided a 35-foot pipe out of their drill it contacted a high tension wire overhead. Deputy Coroner Victor Golla reported the accident occurred about 3:30 p. m.

FORGET ME NOT DAY OF DISABLED WAR VETERANS

Entire Populare Can Assist Members To Aid This Worthy Cause

The Edmund Parrott Chapter No. 16, Disabled Veterans of the World War is holding its annual Forget Me Not Day Drive, November 7, 8, 9, 10 and 11, in San Mateo County.

This organization is deserving generous giving. Every civic minded citizen will have an opportunity to help the community by aiding these veterans to help the less fortunate among their comrades and their dependents through this annual appeal. The purchasing power of the community has been greatly increased in the past by the high dividend pay rehabilitation service rendered by the members of this organization. The burden of caring for many disabled veterans has been transferred from local areas to the federal government by reason of the excellent work done along these lines.

This drive has been endorsed by President Franklin D. Roosevelt; by Harry W. Colmery, national commander of the American Legion; Mrs. Edythe Davidson, national president of the Women's Overseas Service League, and Bernard W. Kearney, national commander in chief of the Veterans of Foreign Wars of the United States.

Street sales will be conducted in Daly City by the American Legion Juniors under the leadership of Mrs. Marcia Trier.

New Zealand Sets Weekly Wage Rate

An arbitration court has decided on a basic weekly wage of 76 shillings (about $19) for men and 36 shillings (about $9) for women.

This rate was fixed after several months consideration. The government had decided that basic wages for men must be sufficient to provide a reasonable standard of living for a man, a wife and three children.

HALLOWE'EN CARNIVAL SATURDAY NIGHT IS DECLARED SUCCESSFUL

More Than 2000 Kids March In Parade, Receive Free Prizes And Ice Cream

"The Hallowe'en carnival held in Daly City last Saturday night was a genuine success," declared the sponsoring committee of the Daly City Merchants Association and the American Legion Post. "The attendance and enthusiasm surpassed all expectations," was Chairman Cleo Miller's observation.

It was estimated that more than 2000 kids participated in the parade The line of march started on Mission street near the county line and proceeded to the top of the hill. The parade was led by the Daly City band.

From a reviewing stand on the corner of Mission street and Hillside boulevard, more than 110 prizes were awarded children for their unique costumes.

Free ice cream was distributed and a street dance from 9 p. m. till midnight completed the evening entertainment.

ENGLISH LIKELY TO COME HERE FOR BLOOD

By J. W. MARCHBANK

A wise man said some time ago very few sires have the power of reproducing their excellence—not only in their own offspring, but in the descendants of that offspring, to as was the case with Ben d'Or, Ormonde, Orme and Flying Fox.

The same wise man also asseverated that one of the best things English breeders could do was to import blood from the United States and Australia.

The man in question, Theodore Andrea Cook, gained wide knowledge of the thoroughbred in preparing material for his "History of the English Turf" in three volumes. whatever conclusions he reached are well worth deep consideration. He was above all a proponent of the thesis that the "English" thoroughbred was the best in the world, but could not help admitting overdoing of certain strains in the home country had brought about a condition necessitating the infusion of blood from other countries, where a somewhat different type of the blood horse has been developed.

California is getting started in breeding once more and it is possible that before many years English buyers will be looking around our haras for animals to take over to the tight little isle. That would undoubtedly be a much better advertisement for the state than the one it is getting at present over the unseemly squabble for permission to build and operate race tracks. I have said many times before and am saying again:

Dividend mad promoters have no place in the economy of California racing.

Isn't there much more fun in going to Tanforan to watch Tick On, Don Roberto, Sweepstaff and other good ones perform out on the mile oval than in almost literally tearing each other's heads in a wild scramble for dividends?

I may be like a voice crying in the wilderness, but I still maintain the emphasis at the courses in the state should be on the horses themselves with the directors of the course placed so far in the background the public would have to know their names.

NOVEMBER BUSY MONTH FOR VETS FOREIGN WARS

Many Activities Outlined Which Are Expected To Prove Interesting To Young And Old Members

Busy season for Old Glory was ushered in by the Hallowe'en party held at the home of Comrade Commander Jensen, 1064 Munich street, on Friday, October 30, for 45 members of the Sons Corps and Daughters Unit of Old Glory Post No. 2044. The parent organizations were so well represented it was hard to tell which were the Juniors and which the Seniors, for old and young alike had a hilarious time. Games were played until a late hour, to be climaxed by delicious refreshments served by the advisory board members. All those attending reported a wonderful time.

On November 2 a group of the Junior Girls Unit, No. 2044, escorted by members of the advisory board, attended the installation of the American Legion Girls Unit, at which time a bouquet was presented by the president of the Girls Unit, No. 2044, Patricia Frazier, to the incoming president, Virginia Orr, accompanied with best wishes for the coming year.

On November 4 Department Chaplain Ethel Dorn, accompanied by members of the Auxiliary, journeyed to Sausalito, where Sister Dorn installed the newly elected officers of the Sausalito Auxiliary.

On November 5 the drill team, accompanied by members of the Auxiliary, assisted in the installation of Matalan Auxiliary, San Mateo, newly elected officers.

Another trek taken by the drill team and Auxiliary members was to Mountain View on November 6, where the drill team acted as escort team for the newly installed officers.

And comes it now! The affair to be remembered: Third annual Armistice Day Ball to be held at Colombo Hall, Colma, given jointly by Veterans of Foreign Wars and American Legion Posts of Daly City. Music furnished by Dell's Orchestra. Come and meet your friends and be on hand for the drawing of the valuable door prizes. Help make this another grand success.

Junior Installation Legion Auxiliary

On Monday evening, November 2, the following Junior American Legion officers were installed: President, Virginia Orr; first vice president, Violet Priziborowski; second vice president, Esther Anderson; secretary, Barbara Foreman; treasurer, Betty Orr; chaplain, Earlyn Barker; historian, Norma Barker; sargeant at arms, Jean Durkee; marshall, Ethel Hill, and our Junior past president, Hazel Hill, by Marcie Trier, president of the Twenty-sixth district, assisted by the San Mateo County Senior drill team.

Distinguished guests introduced were Mrs. Dee Williams, District Junior chairman; Mrs. Crane, president of Daly City Unit No. 410; Mr. H. RIGHT THINKING AND RIGHT ACTING

The American people have again demonstrated by their ballots in the late election that a large majority approve and hold to the shibboleth of right thinking and right acting.

We reach this inevitable conclusion through the overwhelming victory accorded President Franklin D. Roosevelt in his campaign for re-election.

The President assumed office four years ago at a time when conditions confronting the nation were possibly the most trying and turbulent in our country's history. He led us, by his forthright courage and clear thinking, out of the morass of depression in which the country had been struggling for several years and from which there seemed little possibility of early escape.

Within less than half the time of his four year occupancy of the position of chief executive of the nation the feeling of doubt and fear and despair began to depart from the minds and lives of our people. This was supplanted by a spirit of renewed and courageous thinking and quick action.

On all sides could be heard the thought expressed that "times are getting better." Through the keen planning of the President projects were under way which gave employment to hundreds of thousands of men and women in all sections of the country.

The people did not forget! Last Tuesday they placed their stamp of approval on the administration of President Franklin D. Roosevelt by re-electing him by an almost unanimous and unprecedented vote.

Again it is demonstrated that now, as ever, right will prevail and to each man is given reward according to his work for the common good.

APPRECIATE CARNIVAL CO-OPERATION

The Daly City Hallowe'en carnival this year was a success because certain organizations and individuals cooperated to work out the program. The Record holds nothing but the highest commendation for those organizations and individuals who participated.

However, certain organizations and other groups of citizens did not take it upon themselves to contribute in any way to the party. The ultimate objective of the carnival was retarded in a comparative degree to the non-co-operation of these principals.

While commending participants in the Hallowe'en carnival The Record also strongly suggests that in future civic affairs all local organizations and individuals make it a point to contribute in some way to the program.

TWO PARADES PLANNED FOR BRIDGE FETE

Marine Parade On Bay, Floats And Fireworks To Be Only Part Of Spectacle At Three Day Celebration

Acting upon the theory that everybody loves a parade, the celebration committee in charge of the three day fiesta to be staged for the opening of the San Francisco-Oakland Bay Bridge, November 12, 13 and 14, is arranging not one, but two, great spectacular parades. And for good measure, there will be a marine procession of all craft on the bay.

The celebration committee announces that the day parade will take place on the afternon of Friday, November 13, starting from the Embarcadero at 2 o'clock and proceeding up Market street to the Civic Center. The night parade will move from the Embarcadero up Market street at 8 o'clock Saturday night, November 14, the last event of the fiesta.

MARINE PARADE

The marine parade, details of which are being arranged by cooperation between the celebration committee and the San Francisco Junior Chamber of Commerce, will be held Thursday morning November 12, at the conclusion of the dedicatory exercises on the new bay bridge.

JUMPING FROG

Plans to enter floats in the day parade have been announced by many counties, and an example of enterprise in this respect is to be displayed by Calaveras County, which will take the shape of an immense jumping frog mounted upon a high and ornate float, surrounded by beautiful girls and preceded in the parade by a miners' brass band. Los Angeles, Monterey, San Mateo, Marin, Alameda, Santa Clara, Sacramento and many other counties are vying with each other in the making of wonderful floats, and their handsomest young women and girls are being fitted for the costumes they will wear in the parades.

SPECTACLES UNSURPASSED

The two parades, both day and night, are planned to be spectacles of grandeur and beauty unsurpassed even by the processions of the New Orleans Mardi Gras or the fiestas of old world cities. To this end, artists, expert decorators, lighting authorities and the art schools of the bay area are working together as a unit, resolved to make the fiesta a memorable success.

Fireworks and an immense artificial rainbow over the sky will illuminate the bridge and the streets of San Francisco during the three nights of the fiesta. Decorators are busy on the construction of effects which will transform Market street into what will appear to be a part of the bay bridge itself, and these will be put into place at the "eleventh hour" to give the people a pleasant surprise.

NIGHT PARADE

The theme of the night parade will be the world-famed bridges of history and fable, but other startling features will be included. Lighting will be of the most brilliant and colorful description. The Rainbow Bridge float alone will require 18,000 watts for its illumintion, and this is but a single example of the lighting scheme of the parade.

FIREWORKS

The pyrotechnic displays will start with the opening ceremonies November 12 when aerial bombs, salvos from battleships and all other noise producing equipment will blast forth the news of the inauguration of traffic. On that night the bridge will present a dazzling, multi-colored spectacle, with star shells, great rockets and an immense artifical rainbow projected upon artifical clouds. Other fireworks are planned for the Marina and the Civic Center.

GRANDSTAND ARRANGEMENTS

People of the bay area and visitors should bear in mind that the best view of the two wonderful parades is to be obtained from the grandstand at the Civic Center. There will be accomodations for 40,000 spectators. Seats at $2.50 each, entitling the holder to view both parades are now on sale at the Manx Hotel, San Francisco, and at other points in the bay area and the state.

SOUVENIR COINS

So great is the demand for the official United States 50 cent coin commemorating the bay bridge opening, that the committee predicts the special issue of 100,000 to be turned out by the San Francisco mint will soon be exhausted. All banks in the bay area as well as celebration committee headquarters, 625 Market street, San Francisco, are being deluged with orders, and the orders come from coin collectors in all parts of the world.

Profits accruing from the sale of the coins will be used to defray celebration expenses.

Never before has San Francisco or the bay region enjoyed the opportunity for jubilation as now presents itself in the celebration of the opening of the greatest bridge ever constructed. The fiesta will be a bright and glorious series of resplendent events from the time of the bridge opening ceremony to the conclusion of the great night parade.

Don't forget the dates—November 12, 13 and 14.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

By eating this pudding all doubt will remove;
The worth of its texture you surely will prove.

The following recipe comes to us from a new out of town member, Mrs. Anne Fried, 2612 School street, Oakland.

LEMON OR ORANGS PUDDING

One cup sugar, three tablespoons butter, three tablespoons flour; cream these ingredients together and add two well beaten egg yolks, one cup milk, a pinch of salt, juice of one lemon and juice and grated rind of one orange. Lastly, fold in stiffly beaten white of two eggs.

Put all in buttered baking dish and bake one-half hour in pan of water in oven of moderate heat.

This dessert may be served with whipped rcream if desired, although it forms its own sauce.

VEGETABLE PANCAKES

(From The Farmer's Wife)

Chop in wooden bowl one small carrott, one green pepper, one medium sized onion, corn from one large ear or half cup canned corn. Put mixture all together with small amount of water in sauce pan and cook slowly until vegetables are tender, stirring often to prevent burning. Let simmer until water boils away. Season with salt and pepper. When cool, add to this mixture, one-half cup sour milk, one well beaten egg, one tablespoon melted butter or salad oil, one cup flour, one-half teaspoon soda, pinch of salt, one teaspoon baking powder.

Grease frying pan and bake the same as ordinary pancakes. Serve at dinner as separate course or in place of vegetable.

In fact, any recipe of something that you know is good will always be acceptable to the Experienced Housewife Club and also will make you a member of a club that offers you now and then a luncheon together with a restful and social afternoon.

SAFETY NEEDS GOOD SERVICE

Stressing the value for safety in a recent talk before Ford service men, W. C. Cowling, general sales manager of the Ford Motor Company, pointed out that the backshop was the custodian of the Ford reputation for quality, and that it was there that the safety of America's motoring millions should be guarded.

Emphasis on service and proper service methods, said Cowling, can be a great force in the promotion of highway safety, and it is his plan to make all Ford service men more safety conscious.

"The automobile is a transportation unit in the broadest sense of the word. Carelessness in making adjustments, carelessness to the extent of just getting by with makeshift repairs resulting in accidents, puts a black eye on any car. Service men should be the best salesmen a manufacturer has, and the Ford Motor Company, by careful training, plans to have the finest service men of any in the country."

He also pointed out that the automobile business is a buyer's market, and that it is the kind of service an owner gets that will cause him to return to the dealer from whom he got his present car when he wants to buy a new one.

Cowling pointed out that the weakest link between the manufacturer and car owner is often the service department, and he suggested ways and means to Ford men present which would serve to strengthen this link.

"First and foremost, we want safety," he said. "From the service man's standpoint this can be done by careful workmanship, by conscientiousness and intelligence. Secondly, we want Ford backshops to be equipped with the most modern tools and machinery, and thirdly, we want high-caliber men in Ford service departments throughout the country."

CANADA IS URGED TO EMULATE THIS NATION

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

"Gold" pertinently says mining loans by the government of the United States have resulted in much constructive work and have assisted not only in building up gold and silver production, but provided employment for a large number of citizens.

The Toronto magazine suggests loans from the Canadian government for the development of natural resources could well be entertained in the nation to our north.

Details of the functioning of the federal government corporation in helping miners is of more than usual interest. The act under which the function is administered provided for two types of loans:

Loans upon sufficient security to recognized and established corporations, individuals and partnerships engaged in the business of mining, milling or smelting ores.

Limited loans to corporations, individuals and partnerships engaged in the development of a quartz ledge, or vein, or other ore body, or placer deposit, containing gold, silver, or tin, or gold and silver.

* * *

As is well known, it is possible under the liberal regulations made by Uncle Sam to raise very large amounts for development, construction and other necessary work at a low rate of interest. Coal and other non-metallic minerals do not come within the purview of the mining act.

According to reliable sources, there is no great difficulty in arranging a loan. There are few restrictions; none that would not be observed in the conduct of any legitimate business. The government makes sure no dividends are paid to anyone until it gets its loan back.

A well timed suggestion is made by enlightened minds for a system of loans by the Canadian authorities in order to bring about speedier progress in mining.

* * *

Accentuated by the highest price for gold in the century, a condition directly due to the action of President Roosevelt in this country increasing the price for the yellow metal, mining in Canada is effectively influencing a return to the best type of prosperity.

* * *

The author of the following lines is unknown, but they are worth printing now and again:

"Out of the North came a whisper,
Borne on the winds of chance,
In an Indian tale of long ago
Of a land of high romance;
Out there in the silent places,
Where their people had lived of old,
Was a land of wondrous beauty—
A fabulous land of gold."

* * *

The opinion is general that following the making of the tri-partite agreement in September, exchange stabilization funds of the United States, England and France will be fixtures in the monetary systems of the world for the next few years.

The stabalization fund idea first took hold in England after that country left the gold standard in September, 1931. It was given out at the time that it was not in the public interest to give any kind of accounting of the fund's activities and rescources. The government spokesman said the efforts of the fund might be frustrated if speculators in foreign exchange knew what it was doing.

When the United States added a stabilization fund to its monetary equipment in January, 1934, at the time of the devaluation of the dollar, secrecy of operation was decided on by the Secretary of the Treasury. As is well known, Secretary Morgenthau, as manager of the fund, is answerable only to the President, who is not under obligation to give an accounting to anybody.

Lesson Sermon Of Christian Science

"Adam and Fallen Man" will be the subject of the Lesson-Sermon Sunday, November 8, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be "They which are the children of the flesh, these are not the children of God" (Romans 9: 8). Other Bible citations will include: "For to be carnally minded is death; but to be spirtually minded is life and peace. Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. So then they that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you" (Romans 8: 6-9 to first period).

The Lesson-Sermon will also include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The standard of perfection was originally God and man. Has God taken down his own standard, and has man fallen? God is the creator of man, and, the divine Principle of man remaining perfect, the divine idea or reflection, man, remains perfect. Man is the expression of God's being" (p. 470).

Spend Large Sums For Improvements

A remodeling and improvement program costing in excess of $150,000 and affecting fifteen California branches of the Bank of America N. T. & S. A., was announced recently by L. M. Giannini, president.

Premises will be altered for three new branches and six new locations of old branches will be modernized. Renovations and alterations will also affect the present cites of six established branches.

In most instances the premises of the fifteen branches are being remodeled to accommodate the increasing volume of the bank's business brought about by the general upturn throughout the state, it is declared.

'Plowed-Under' Wires Reduce Telephone Costs

Telephone companies in Virginia are experimenting with underground "plowed-under" telephone wires which they hope will make ordinary telephone line upkeep cheaper in regions where ordinary service has been prohibitive because of the cost of setting poles.

To accomplish this, Bell Telephone engineers have developed a type of wire with special insulation to insure protection against earth dampness, and a special plow to lay the wire, and thread it underground.

Business Shows Large Increase For September

Business in the far western states in September reached the highest level that has been attained at any time during the past 62 months and marked the ninth consecutive month in which gains were shown over the corresponding months in the previous four years, according to the October Business Review of the Bank of America.

The bank's September index climbed to 77.9, representing an increase of 7.2 points or 10.2 per cent over the same month last year and was 42.4 per cent above the depression low established in March, 1933.

Bank debits reported by 28 cities in the Twelfth Federal Reserve District in September totaled $2,707,805,000, being an increase of $407,554,000, or 17.7 per cent over a year ago. Total bank debits for the first nine months aggregated $24,116,375,000 or a gain of $3,734,349,000 in comparison with 1935, and reflects the uptrend in far western business.

As further evidence of business improvement, 50 cities in eight western states reported total building permits of $138,597,328 in the first nine months of 1936. This was a gain of $58,181,557, or 72.4 per cent over the like period last year and 242.5 per cent greater than 1934.

Retail sales also mirrored the general business uptrend, 105 stores in the Twelfth Federal Reserve District showed dollar value sales increase of 16.3 per cent over September, 1935, and it was the ninth consecutive month that sales were higher than the 1935 corresponding month. Los Angeles reported a net gain of 16.2 per cent, San Francisco 14.2 per cent and Oakland 13.3 per cent for last month.

The September index, covering prices of 24 California farm products, registered 111 per cent of the July, 1910-June, 1915 average. It was a gain of 3 points over August and equaled the index of July this year, which was the highest point since November, 1930.

PEDESTRIAN TOLL SWELLS

When pedestrians in cities cross against signals and in the middle of the block, they indulge in practices that are extraordinarily dangerous. As proof of this, the rate of death per pedestrian accident involving crossing against signals was 55 per cent worse last year than when crossing with signals. This knocks the theory that it is foolish for a pedestrian to wait at an intersection for the signal to flash "Go."

What about crossing in the middle of the block? That's jaywalking—the lowest form of pedestrian practice. Last year's record shows that the rate of death per pedestrian accident crossing in the middle of the block was 200 per cent worse than crossing at intersections with the "Go" signal.

How much longer will pedestrians who regard themselves intelligent ignore the facts—the handwriting on the wall?

As for the poor pedestrian who has to use the traveled portion of the highway—the rate of death per accident under such circumstances was 278 per cent worse last year than the average of all pedestrian accidents. No highways should be improved or built without constructing at the same time pedestrian sidewalks. Pedestrians should protect themselves so far as possible by walking against traffic instead of with traffic.

Every pedestrian should at least try to safeguard his life.

Most of us are in a class with the fellow who said he didn't care whom the government taxed as long as he wasn't one of them—Louisville Courier-Journal.

Tennis Romance Denied

Reports from New York, Monday, that Helen Jacobs, Wimbledon tennis champion, and Hershel Johnson, attache to the American embassy at London, planned to be married, were denied by Miss Jacobs' mother, Mrs. Eula Jacobs of Palo Alto.

The Old, Old Story, "I Love You Truly"

The wedding of Harold Dority, who has been making his home with his sister, Mrs. G. C. Lindorff of Niantic avenue, and Miss Florence Helfner of Seattle, Wash., took place at the Calvary Baptist Church, Monday evening of this week. The ceremony was perfomed by Rev. Miles Dawson, pastor of the church.

The attendants were Miss Ruth Lindorff of Niantic avenue and Miss Harriet Rasmussen of Concord, nieces of the groom.

Miss Lindorff rendered the beautiful solo "I Love You Truly."

After the ceremony, the party of twelve motored to Lucca's Restaurant in San Francisco, where a delicious supper was served.

The couple will make their home some where within the bay region after a short honeymoon to Salt Lake City, Utah.

P. T. A. Leaders In Friendship Talk

Friendliness and its effects on mankind were stressed by Mrs. Edith Ferguson at the regular board meeting of the Jefferson Union High Parent Teachers Association on Wednesday afternoon of this week. Each member was given a famous quotation on friendship and all were conscious of the importance of this great human virtue.

Mrs. E. Barker of San Diego avenue was the hostess of the afternoon, assisted by Mrs. Pearl Jones.

Mrs. Stella Jensen, president of the unit, presided during the business meeting, at which plans were discussed for the Educational Night, which will occur on November 17. This will be the first evening meeting sponsored by the local high school group this semester and a large attendance is anticipated.

Professor Hoskins Electrical Show

The first of five feature assemblies was held, Monday of this week at Jefferson Union High School under the auspices of the entertainment committee.

Professor Hoskins, renowned electrical expert, assisted by Mr. Joyce, brought his Electrical Wonders Show from the Chicago Worlds Fair. He presented the students with interesting and educational facts pertaining to electricity and its varied uses.

The heartbeats of Jack McDonald and Gardner Girdler were reproduced and amplified over the microphone. The principle of an electrical eye was demonstrated, and exhibitions were given to show the practical qualities of this simple device.

Many other interesting contributions were offered to make up a very successful assembly.

Druggist Cuts Hand On Water Faucet

As he turned on a water faucet in the McGraw Drug Store, Monday evening of this week, John McGraw sustained a severly lacerated right hand. The porcelain portion of the faucet snapped off and broke in the palm of the hand.

The injured member was stitched and dressed by Dr. Lynch of the Villa Sanatorium.

John's many friends hope he will soon be back to work again.

Coach Of U. S. F. Visits Jefferson

"Spud" Lewis, head coach of the University of San Francisco, was the guest speaker of the Jefferson rally for the South City game. He encouraged the players to do their best, and commented on their spirit. He also discussed the U. S. F.-St. Mary's game, which his team won.

George Davis, guitarist and vocalist, contributed two songs to the program.

S. F. Recognition Asked On Transit

San Mateo County Board of Supervisors again, Tuesday, asked that San Francisco's initial transportation development must include the vital link for peninsula rapid transit service.

The opening of the San Francisco-Oakland Bay Bridge and other developments which will result in an increase in auto traffic precipitated this action.

Legion Veterans To Sponsor Ball

Jonah And Whale Minister's Topic

Rev. John R. Stevenson, Grace Presbyterian Church, will speak on "Jonah and the Whale" in the morning service at the 11 o'clock hour. He will answer the following questions in his discourse: Was Jonah swallowed by a whale? Can we regard the story as historical? Why is this story recorded in the Bible? What lesson is it intended to teach?

Press Meeting At Standford Success

"He who wants to write will do so without encouragement," stated Dr. Margery Bailey, famed Stanford English professor, as she addressed several hundred delegates to the Central California Scholastic Press Association meeting on the Palo Alto campus, Saturday of last week.

Doctor Bailey stressed the idea that practice makes perfect. She enumerated many of the opportunities for young writers to gain valuable experience and worthwhile prizes by entering the literary contests being conducted by publishers and special groups.

Dr. Harold Hand, popular young department of education lecturer at Stanford, addressed teachers of journalism and urged special training in how to read the newspapers.

Professor Philip Buck of the political science department of the university addressed the luncheon session on the highlights of the recent national political campaign. He criticized the electoral college method of electing the President.

Journalism instructors and student leaders led group conferences on various phases of scholastic journalism. Chilton Bush, head of the department was in complete charge of the days program.

Clive M. Saiz, faculty sponsor of the Totem Pole at Jefferson Union High School, was elected vice president of the advisors' organization.

Colma News Notes

The Colma Parent Teachers Association held its executive board meeting, Wednesday afternoon of this week, at the home of Mrs. J. J. Grondona on Hillside boulevard. Plans for the regular meeting to be held at 2 o'clock, Tuesday afternoon of next week, at the Jefferson Grammar School were discussed. Preceding the meeting a pot luck lunch will be held for members during the noon hour.

A large group of young people enjoyed a Hallowe'en party, Saturday evening of last week, at Belli's Social Hall on San Pedro road. The hall was appropriately decorated with streamers, witches and ghosts and guests appeared in a variety of weird and strange costumes. At the close of the evening a buffet supper was enjoyed by all.

The foundation has been laid and work is progressing rapidly on the new Olmo residence at the corner of Market street and Station avenue.

Olive Grove No. 116, United Ancient Order of Druids, was host to Grand Noble Arch Greenebaum and his brother officers at the Official Visit, which took place, Friday evening of last week, at Colombo Hall. Following the meeting those present enjoyed refreshments.

Jefferson Hall on San Pedro road is the scene of much activity these days. In addition to a modernized stucco front, carpenters are busy remodeling the interior and rest rooms. These improvements on the hall, which is the property of the school district, meets a long felt need of the community.

The Colma P. T. A. wishes to thank all those who attended the recent whist party and also the many who assisted in making it such a huge success.

The regular monthly whist of the Colma Volunteer Fire Department will be held, Friday evening of next week, at Jefferson Hall. William Lagomarsino will be chairman of the event.

Owen Greene of San Pedro road is reported well on the road to recovery following a recent serious illness.

Misses Stella Rovere, Tessie Camenzind and Josephone and Delfina Purichelli were among those who enjoyed the masquerade and parade given in Daly City, Saturday evening of last week. Later in the evening a party at the Purichelli home on San Pedro road was enjoyed by the young ladies, with a host of delicious refreshments.

Mr. and Mrs. A. Rovere of Briggs street entertained as dinner guests, Sunday of this week, Eugene Ricci and family of Petaluma. Mr. Ricci recently returned from a trip to Italy.

Mr. and Mrs. Ed Bocci of Pierce street are enjoying their new sedan, purchased the first part of last week.

Directors of the Colma Community Center met at the home of Mrs. M. P. Brown on Washington street, Wednesday of last week, to discuss plans for a monster whist party to be given shortly after the beginning of the new year. Those present were Mesdames Margaret Varni, May Conserva, Fredericka Volkman, Lizzie Atkinson and M. P. Brown.

Entertained At Hallowe'en Party

Mr. and Mrs. G. Schmicke of Vista Grande avenue entertained at a Hallowe'en party, Saturday evening of last week.

clerk through considerable unimportant business.

A smoldering fuse of unrest in several county departments spurted to set off a powder box when C. F. Rodenberger, Colma health officer since 1934 and in charge of the cemeteries, appeared before the board to protest his dismissal.

QUICK NOTICE

He exhibited a letter of dismissal, signed by Dr. C. C. Gans, head of the health department, the ouster effective at noon last Saturday. The letter, Rodenberger said, was received one minute before noon.

The board refused to act on Rodenberger's request for reinstatement pending a grand jury investigation, on the assistant district attorney's advice that a department head could at any time dismiss, for any reason, a member of his department.

Amid the wrangling, Supervisor Witt asked the board to notify County Executive Walter B. Kellogg that his services would terminate when his term expired in May. No second was voiced to Witt's motion.

FIESTA SUCCESSFUL

Bruce Gibson, chairman of the fiesta commission, appeared before the board with a financial statement of the 1936 show. He reported an anticipated balance of $4179.67 was expected after all bills have been paid.

Supervisor Witt challenged his figures and balked at a loan of $2000 to the fiesta commission to pay for prizes. Gibson had assured the board this loan would be returned when state money is received in January.

Though the show netted a paper profit of $4179.67, it was disclosed the fiesta really cost the taxpayers approximately $6000, since the Board of Supervisors put $10,000 in the budget for the festival.

THREE DISMISSED

Road Foreman Henry Daneri of the coastside, William Brown of Redwood City and John J. Fahey of Daly City have been eliminated from the road department, the county engineer said. Reasons for the dismissal, he said, was that the departments appeared no longer necessary due to the large amount of WPA road work.

Edward Arliave of San Mateo has been named general foreman and will handle the work previously supervised by the three foremen, it was reported.

Bay Meadows Opens November 14

Bay Meadows' fall racing season of 25 days opens Saturday, November 14, with many of America's best thoroughbreds and jockeys on hand to participate in what is believed will prove northern California's greatest turf meeting.

Among the noted handicap stars that will compete for the rich stake prizes of the season are Time Supply, Where Away, Our Count, Howard, Accolade, Seabiscuit, Bottle Cap, Rock X, King Saxon, Bold Lover, Advising Anna, Bubblesome, Rifted Clouds, Marynell, Brilliant Light and Coramine. Practically all of these are recent stake winners in the east.

A big feature of the meeting will be the stretch battle between America's two leading riders for the jockey championship of the year. Jockeys B. James and Chojnacki, who are staging a nip and tuck fight for the title, will both be at Bay Meadows, and the result of their riding during the meeting likely will decide the championship.

Well! Another Hallowe'en Party

A Hallowe'en Party was given, Saturday evening of last week, by Miss Audrey Pfeifer, of Hillcrest drive.

The young folks spent the evening dancing and playing Hallowe'en games and at midnight a buffet supper was served to these guests: Misses Margaret Hawthorne, Elaine Wadiker, Dolly Allen, Marjorie McKeown, Louise Savelly, Beverly Bright, Alma Watson, Jean Terry, Eleanor Hutchings and Kathleen Core; Messrs. Arthur Wight, Bob Smaltz, Ed Owens, Dick Bauers, George Pigganti, Leon Stansbury, Bob Lee, Bob Maroney, John Verducci and Steve Broslyn.

tion and report recommendations. E. Winters, deputy sheriff at Rockaway Beach, said he would co-operate with the committee.

HEALTH LETTER

It was reported to the club that a hog ranch was being operated under unsanitary conditions on the state highway near the entrance of Valemar. Frank Hallings moved that a communication be sent to the county and state health departments informing them of the condition. The secretary was instructed to write the letters.

Letters of thanks are to be sent to Fire Chief Brennen of San Francisco, Bert Werder, the Colma Fire Department and John McClaren for their co-operation in the recent coastside fire.

James S. James, former county engineer, delivered a short address.

FIRE PROTECTION

The secretary was directed to write a letter to the county fire departments asking that a fire truck be stationed on the coastside with a part time attendant. In conjunction with this fire protection move, it was suggested that a local auxiliary fighting unit be organized.

Request was made that reflectors be placed at the end of streets on the beach line. Letters will be sent to Supervisor Witt and the county engineer's office conveying this request.

A suggestion was also made that State Highway No. 1 through Sharp Park be widened. A letter requesting this improvement is to be sent to the State Board of Public Works.

Honored At Shower

Mrs. A. Witt was hostess to a large group of friends, Monday evening of this week, at her home on Templeton avenue. The occasion was a stork shower in honor of Mrs. John Moresco of San Francisco.

Many lovely gifts were received by Mrs. Moresco. Following a delightful evening of entertainment, the guests, who numbered about twenty, were served refreshments by the hostess.

J. U. H. S. Gymnasium Contract Awarded

Bids For Proposed Building Opened Saturday Night—Work To Start Nov. 14

(Continued from page 1)

The new facilities will be available for use by classes entering in the fall of 1937.

The gymnasium and swimming pool is to be erected near the southern border of the high school property, directly southwest of the main buildings.

PRINCIPAL SMILES

When interviewed by The Record, Principal Ferguson smiled proudly and declared: "The gymnasium is the realization of a dream which I, the school board and citizens of this school district have had for many years.

"It will not only be the means of furnishing our students opportunities for physical exercise, but by giving every one swimming instruction it may at future times effect the saving of lives.

"Morover, went on Mr. Ferguson, the new gym will be a center place of community activity. Here adults, as well as young people and children, may meet for recreation."

S. M. Floral Fiesta Has $4000 Balance

The financial statement of the 1936 San Mateo Floral Fiesta was submitted Monday at the County Board of Supervisors meeting Although the report was not entirely complete, an anticipated balance of $4179.67 was shown.

Supervisor Al Witt Jr. of Daly City criticized the statement, charging that it was not a true accounting to the taxpayers, as it did not include the approximately $10,000 advanced by the supervisors. Thus the net balance of the show indicates that this year's fiesta cost the taxpayers of San Mateo County approximately $6000.

In addition to approving the statement, the board, by a four-fifths vote, agreed to advance between $1700 and $2000 for prize money, which will be reimbursed by the state early next year.

TANFORAN FANS WILL SEE LARGE HORSE IN ACTION

San Francisco Handicap Will Line Up Field Of High Class Gallopers

(Continued from page 1)

unheralded last spring as a three year old, Don Roberto scored two straight victories. He was rested during the summer and made the third part of his career at Tanforan recently, beating a smart field at six furlongs.

Now, with one race under his belt, he'll be sent a distance against a brilliant field in the San Francisco Handicap. He will be asked to face such stars as Tick On, Seabiscuit, Blue Boot and Primulus, to mention a few, and it will be his first attempt at a farther distance than six furlongs.

Don Roberto is gaining posthumus fame for both his sire, Manager Waite, and his dam, Marion Lansill. Manager Waite, in his twenty-fourth year, succumbed to the infirmaties of old age last year, while Marion Lansill was killed in an accident on a Pleasanton ranch.

Charles E. Perkins, Santa Barbara breeder and sportsman, bred Don Roberto and sold him as a yearling to his present owner, Mrs. William P. Roth, for a price reported to have been $800. Perkins used Manager Waite chiefly as a steeplechase sire, while Marion Lansill had only one other foal, a hunter who ran in cup affairs around Virginia.

Fresh, fit and training in perfect fashion, Don Roberto will thrust forward his claim for California's highest turf laurels Saturday when he goes postward in the San Francisco Handicap.
